How long have you known this applicant, and in what capacity?

In making this evaluation, what group of students are you using as a comparison? (country, university, discipline)

Please describe the particular strengths and weaknesses of this student. Also, describe any special talents or experience.

If you have worked with this student on special projects, please describe the student’s role on the projects and give an evaluation of the student’s performance. Your comments on any favorable or unfavorable indications of individual (or team) research potential are highly welcome.

Additional information you would care to provide:

*Please seal and sign the envelope.*
